The Court of Audit sends its 27th Report with comments to the Walloon Parliament

The 27th Report with comments and documents that the Court of Audit sends to the Walloon Parliament is divided into three parts.

The first part contains accounting and budgetary articles. The Court comments on the approval of general accounts of the Walloon Region and of several depending public services. The second part deals with the specific account audits.

In the third part, the Court of Audit reminds of some comments and recommendations it has made during audits focusing on the expenses procedures within the Walloon provinces on the one hand, and on the subsidies granted as a part of the employment promotion allowances on the other hand.

The full text (in French only) of the 27th Report with comments that the Court of Audit sends to the Walloon Parliament is available on its website's home page (www.courdescomptes.be).

Information for the press

The Court of Audit exerts an external control on the financial operations of the Federal State, the Communities, the Regions and the provinces. It contributes to improving public governance by transmitting to the parliamentary assemblies, to the managers and to the audited services any useful and reliable information resulting from a contradictory examination. As a collateral body of the Parliament, the Court performs its missions independently of the authorities it controls.
